

# Phlebotomy Training Program

**Goal:** To provide students with a working knowledge of blood collection procedures, techniques, equipment, specimen requirements and point of care testing. The course includes a three week clinical rotation for the practice of phlebotomy.

**Unit 1** (May 23 - June 10, 2016) consists of basic anatomy and physiology, medical terms and abbreviations, a comprehensive background in theory and principles of blood collection, including thirty hours of laboratory practice for blood collection procedures.

**Unit 2** BLS ( Basic Life Support or CPR for Health Care) Must be certified within the last year or become certified to complete the course, placement in a clinical and receive your certificate of completion in phlebotomy.

**Unit 3** (June-July) involves placement in a clinical setting for 100-120 hours of phlebotomy practice for those students who successfully completed Units 1 and 2.

**The Phlebotomy Program consists of 60 hours Phlebotomy Lecture, 30 hours Laboratory Practice, and 100—120 hours of Clinical Rotation.**

**Books, lab coats, BLS and malpractice insurance are purchased by the student at an additional cost.**

Following the successful completion of Units 1-3 students will be eligible to take a national certification examination for phlebotomy (ASPT/ASCP). Cost of exam is additional.

**Accreditation:**  
American Society for Phlebotomy Technicians (ASPT)

**Program Prerequisites:**

- High school diploma or GED equivalent
- Eighteen years of age or older
- Minimum GPA of 80 on a scale of 100; 2.5 on a scale of 4.0.

**Application Deadline: March 18, 2016**

**SEATS ARE LIMITED**

Fees:

\$50 **non-refundable** application processing fee.

\$1200 **Tuition Phlebotomy Program**

(Includes Units 1 and 3)

\$100.00 **BLS** (Unit 2)

\$800 Stony Brook Students

**“Seats are limited for SBU students.”**

**Refund policy available upon request**

In addition, students completing the clinical portion of phlebotomy will be expected to pay a nominal fee for their **malpractice insurance**. All students are required to have an **updated physical examination** that complies with the standards set forth by the School of Health Technology & Management. **(Financial aid is unavailable through the University.)**  
**COMPLETED physical examination must be on record before start of class (May 20, 2016).**

**How to Apply:**

- Please contact the School of Health Technology and Management at (631) 444-3925, or mail the attached request form for an application packet.
- Completed applications must be accompanied by a **non-refundable check or money order for \$50 made payable to IFR # 910084**. Applicants who have met the program prerequisites will be invited for an interview.
- When accepted to the program, a money order or certified check for the program will be due by **May 6, 2016**. Make check payable to, **“IFR # 910084.”**
- **PAYMENT MUST BE RECEIVED BY MAY 6, 2016 OR YOUR SEAT WILL BE FORFEITED.**

**Location:**

Classroom instruction will be held at the Health Sciences Center at Stony Brook University. Clinical instruction will be held at various clinical sites in Nassau and Suffolk Counties.
