SCHOOL OF HEALTH TECHNOLOGY AND MANAGEMENT

2020 Commencement Celebration Program

FAR BEYOND

Welcome SHTM 2020 Degree Candidates!

To all of our 2020 degree candidates, we welcome and honor you. We are very proud of your accomplishments and want to celebrate you! Congratulations on a job well done! We wish you much success as you move onto the next chapter of your lives, from students to health care professionals. We are confident that you will achieve greatness in your fields, providing exceptional health care with compassion and caring.

Best of luck in all of your future endeavors!

Awards for General Excellence

The faculty of each program is asked to select the student who best typifies those qualities of professional competence and human concern in health care that this School seeks to develop.

Graduate Honor Award

One award is presented to the master's or doctoral graduate in the Class of 2020 with the highest overall academic average in a clinical entry-level program.
This year, we are awaiting final grades from clinical rotations. The award recipient will be announced at a later date on our graduation celebration page as well as in a revised copy of this program.

The Edmund J. McTernan Undergraduate Honor Award

One award is presented to the baccalaureate graduate in the Class of 2020 with the highest overall academic average. The award is named in memory of the founding Dean of the School, the late Edmund J. McTernan, Sr. This year, we are awaiting final grades from clinical rotations. The award recipient will be announced at a later date on our graduation celebration page as well as in a revised copy of this program.

Stony Brook University Alumni Association School of Health Technology and Management's Dean's Choice Award

Full time faculty and staff in the health science program were asked to nominate a student they believed was an exemplar of the health science major students. Despite numerous obstacles, this student completed the degree while demonstrating the qualities of commitment, service, perseverance, and community building in the senior year.

Alpha Eta

In 1982, the School of Health Technology and Management established a chapter of Alpha Eta, the National Honor Society of the Allied Health Professions. Faculty review student records and nominate those students who have demonstrated high scholastic achievement (a grade point average of at least 3.5 for baccalaureate degree candidates and 3.8 for graduate degree candidates) and dedication to their chosen profession. This honor is extended to not more than twenty percent of any graduating class.

Students listed have been sent an invitation for induction into Alpha Eta.
